## Directors' words

Good evening.

We would like to thank the cast and crew for working so very hard over the last few months to make this show a great success.

We would also like to thank Pete and Kim Travell for all their help and support, Liz Jones for her lovely backdrop painting, the remarkable Dave Perry on Piano, whom you must agree is a wonderful musician, and not forgetting the fantastic Trev on drums.

There are so many wonderful songs in this show, we are sure there will be at least one or two that you can sing along to.
