Welcome from our Chairman...

Good evening and welcome to our annual Pantomime. I am so pleased to say that we have a new producer for this pantomime, by the name of Hannah Walker, and assisted by Louise Louth. It is not easy producing your first panto, and they have worked very hard.

You will also see that we have some very nice new young members, we welcome you all and long may you stay, because you are what the group need to take the group forward.

I would also like to say a big thank you to our sponsors for all their support throughout the last year - we do appreciate it very much.

All that is left for me to say is sit back and enjoy, and if at any time you think that you would like to join us just have a word with any member in the group, or give me a ring on 01245 360741 come along and have some fun.

Directors' Note...

Well, this is the result of what comes about after a few jokey conversations and text messages. Two novices thought they would just give it a go. Beauty and the Beast has been a roller coaster of emotions; from tears of joy following a great rehearsal to tears of sadness after listening to songs that just weren't right.

We really hoped that this pantomime would include modern songs and dance routines and the cast have worked their socks off pushing themselves to learn new songs and dance routines. Having both been part of Little Waltham Drama Group for a long time, and appeared in countless pantomimes, we decided to see if, like everyone says, how stressful it really was directing and producing a pantomime.

A massive thank you, from both of us, to all who have supported us; from the late night and early morning phone calls and emails, to the last minute song choice changes (Ian Veasey), and finally the cast and members of Little Waltham Drama Group, who really truly have rallied around us and supported us in this journey from script to stage.
